## Previous role

frontend developer at tusenti

## Technologies

CSS, HTML, JavaScript, React, Figma, Bootstrap, Git

## I like to work with people who...

Acknowledge everyone to be equal and are willing to listen and learn from each other as everyone is unique and knowledgeable in their own special way 😊

## Work experience

### frontend developer, tusenti 🏢

Mar 2022 – Jan 2023 (10m)

- Optimized and streamlined the user interface code of Tusenti's fintech app, resulting in a more intuitive and efficient experience for users.
- Played an integral role in driving significant market growth by effectively promoting the app among target users.
- Continuously enhanced the user interface of the app to ensure optimal functionality and user satisfaction.

### mentor, Technovation Girls centre 🏢

Jul 2022 – Oct 2022 (3m)

CSS HTML JavaScript

- Empowered and mentored younger girls to develop technological solutions for societal problems.
- Provided guidance on project ideas and approaches to problem solving.
- Facilitated the growth and development of young girls within the mentorship program.

### Intern, UBRICA 🏢

Dec 2021 – May 2022 (5m)

React CSS HTML Figma Bootstrap Git

- Designed user interface for PIYOTERO delivery app, ensuring an intuitive and engaging experience for users.
- Contributed to development of an open source codebase for a crypto wallet app, gaining hands-on experience with cutting-edge technology.
- Interacted greatly with other fellow developers from different cities

## Education

### Code first Girls

Certificate Python and apps

### She codes foundation

# Snippets

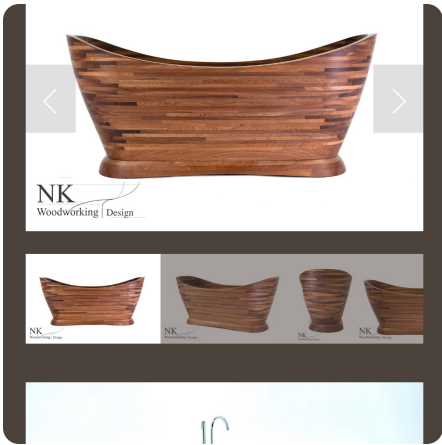

**Sunny side up** @ **frollicking-dango-c7ff44.netlify.app**

This is a mental wellness webapp that i built with the aim of helping people with their mental health by acquiring free therapy sessions from qualified therapists online.

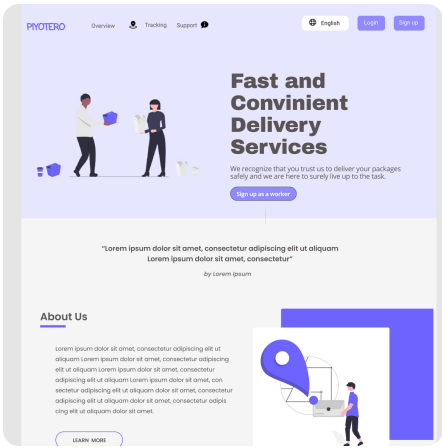

**Nk woodworking design** @ **http:**

This is a website for a luxury company that deals with custom woodworks.

**Piyotero** @ **www.figma.com**

These are UI designs for a delivery app called piyotero

## More about me

### I like to work with people who...

Acknowledge everyone to be equal and are willing to listen and learn from each other as everyone is unique and knowledgeable in their own special way 😊

### In my next role I'd like to learn...

Everything about everything because knowledge is gained not only on specific things but on a variety of aspects as per different areas

### Languages spoken

Kiswahili

### Outside of work I...

I enjoy mentoring younger girls on how they would start learning and incorporating tech in the real life world.

### Interests

I love love researching on the mysteries of the world And i am a great fan of the serotonin brought about by Ted lasso and the office.
